## 2010 – 2011 BUSINESS DIRECTORY & SPONSORSHIP

Once again Holy Trinity School Athletics is gearing up for another successful year. Last year our Boys Varsity Football Team won the postseason Tournament Championship and our Girls Varsity Soccer Team capped off an undefeated season with both the League and Tournament Championships!

The goal of HT Athletics is to provide a healthy, competitive environment where the children can have fun! We encourage participation in the program regardless of a family's economic situation and try to make the cost affordable for everyone. HT Athletics supports Peewee Soccer (K through 4), JV & Varsity Boys and Girls Soccer, JV & Varsity Boys and Girls Soccer, JV & Varsity Boys Football and JV & Varsity Girls Volleyball. We provide the uniforms and equipment, as well as help to maintain our large field and sports facilities on our campus. In order to make participation possible for all the students at our school, we are asking for your financial support by signing up for our 2010 – 2011 Business Directory.

The 2010 – 2011 Business Directory will be published in late November and will be distributed to all school families, as well as to our Parish Community. Businesses can choose to purchase a Business Listing, a Business Card Ad, a Full Page Ad, or our Hawk's Package. Your participation will provide an opportunity for your business to reach potential customers and ensure that HT Athletics can continue to provide a quality program to our students.

To take advantage of this program, simply complete the information form below and return it along with your contribution (made payable to Holy Trinity Athletics) to the address on the form. Please include a business card. You will be contacted for ad art work.

All school family listings will be highlighted in the directory. All contributions are tax-deductible. Thank you very much for your support!
