

Fourth Grade

Dear Parents,

What a BLAST we had on Gold Rush Day! I'm so proud of my entire class for their amazing performance in *The Incredible Westward Movement*. It's always such an honor to watch all their hard work in action. What an

awesome group of fourth graders!!! A huge THANK YOU to all the parents for helping to make this special day happen- I couldn't put on days like that without everyone's help! Thank you to my fabulous Room Mom, Mrs. McMillan for organizing all my supplies and volunteers. We continued to have a special month honoring St. Joseph and St. Patrick.

We have a busy April!. In math we will be learning about different types of graphs and ending the month with an introduction to fractions. We will begin the novel *The Ballad of Lucy Whipple* and work on an in-class compare and contrast essay on character development.

We will continue our study of the 6th, 7th and 8th Commandments in religion. We will also continue to learn about the true meaning of Easter with our Resurrection Egg program. Our Family Life Unit begins in May. In social studies we will be learning all about The Pony Express, The Transcontinental Railroad and the importance of farming in California in the late 1800's and early 1900's.

I look forward to conferencing with you and your child at the end of the month and getting to tell you in person all the wonderful things they are accomplishing in class.

Our fourth grade Mother's Day Tea Party will be held in the hall Friday, May 12th from 11:00-Noon !!

We will begin our Apple Valley Program May 30th-June 14th.

I hope everyone has a blessed Easter vacation!!
Thank you for your continued support.
With much gratitude,
Mrs. Flores

THANK
YOU!
