

Dear Parents,

~Happy September~ 2017

WELCOME

Welcome to your child's fourth grade year at Holy Trinity School! We are going to have a busy and productive school year, filled with fun and exciting learning activities, social events, and so much more. Throughout the school year, please feel free to contact me with any questions or concerns you may have about your child or other school issues. I will do the same. I believe keeping the lines of communication open between home and school is a key component to the success of a child's education. I will keep you informed of our classroom policies, curriculum, your child's progress, and any information that will aid in making this year successful and memorable! I will be communicating with you through your child's "Friday Folder," a monthly classroom newsletter, phone calls, letters, emails, Gradelink and parent conferences.

I am very excited about the upcoming school year, as I hope you and your child are too! We are off to a great first week- what an amazing group of fourth graders I have!!! September is filled with learning the process of note-taking and essay writing. We will be begin our first novel Chocolate Fever and dive into the four regions of California ending our month with each student making a salt dough map. Creative writing, journaling and our daily "Meet-Ups" are just a few ways we grow together as a classroom family. You are the most important person in your child's life and together we can help him or her reach many exciting goals. Thank you for your help! I so appreciate all the donations and supplies to help our classroom community.

With Much Gratitude,
Mrs. Flores
