

FOURTH GRADE

Dear Parents,
A HUGE thank you to all my parents who attended our field trip to Lake Murray- I so appreciate you taking time out of your day to help. When we got back to school, the students had a great time learning all about microscopes and getting to look at our sample lake water and observe all the microorganisms.

Saint reports and visual aids are due Tuesday, November 1st. I can't wait hear all the oral reports. The students worked so hard on their rough drafts in class- I'm excited to see their final product!!

A remembrance table is set up in our classroom honoring Día de los Muertos and All Souls Day. Día de los Muertos is a very old Mexican tradition when people take the time to remember family members and friends who have died. Today, it is traditionally celebrated on November 1st and 2nd, because it is colorful and joyful, it is now celebrated by more and more people around the world. If you would like a loved one to be remembered in our classroom, please feel free to send in a picture or an object that we can add to our special table. The students had so much fun making the sugar skulls- A BIG thank you to Mrs. Radovich for coming in that day to help out!!

The students are improving on their organization and note-taking skills in the classroom and every day they impress me with their kindness and creativity!! During the month of November- we are taking time out of each day to discuss and write about all our blessings and gratitude. Creative writing and daily math practice of our basics facts are a big priority this month.

Upcoming classroom events:

Please bring in one hard orange by Monday, November 13th We are also in need of whole cloves- by, November 13th We will be making Pomanders for Thanksgiving!!!

Our next field trip to Mission San Diego de Alcalá will be December 7th.

Our fabulous mom, Mrs. Tureson, will be teaching us how to play the recorder every Thursday!! We are hoping to have a performance in our classroom at Christmas time.

Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend. Gratitude makes sense of our past, brings peace for today and creates a vision for tomorrow. ~ Melody Beattie

I am so grateful for all of you!!! -Happy Thanksgiving Love, Mrs. Flores
