

Dear Parents,

The end of the school year is upon us, and I realize what a special privilege it has been for me to "work and grow" with your children. We have shared a

tremendous amount of laughter, love, and learning. They have **all** become a truly significant factor in my life. They have touched my heart with their smiles, warm embraces, enthusiasm, and eagerness for learning.

I have felt twice blessed this year to be working with such wonderful children, and equally outstanding parents. Thank you for sharing the lives of your children with me over this past year and granting me the opportunity to grow and learn with them.

Wednesday, June 7th is our Field Day, which will be from 10:30 until 12:00. Your child is to wear their regular P.E. uniform bottoms with the team color shirt that I will designate to you in an email as we get closer to that event. Please make sure that your child has a water bottle on this day! We will be running lots of relay races and I want the children to stay hydrated. Please join us for this fun event, if your schedule permits.

Our "Kindergarten Moving Up Day" is on Thursday, June 15<sup>th</sup> at 10:30 in the Parish Hall. The children are permitted to wear free dress for this presentation, but it should be appropriate clothing for a special occasion. Children will come to school at the regular time of 8:00am and parents

will meet us at 10:30 in the Parish Hall. **It is a minimum day for the Kindergarten Class only!!** I hope to see you all there for this final presentation of the school year. It will be awesome, amazing and heart-felt!

Our final day of school is on Friday, June 16<sup>th</sup>, which is a minimum day for the entire school. We will be ending with a school Mass at 11:00am, so children need to be in their dress uniform on this day. They will also be receiving their final Report Card on this day.

In closing out this school year, I pray your children will always remain as happy and vibrant with themselves and learning, as they are right now. Your children are very special gifts from our Lord, and they have graced me with many wonderful memories to treasure. Thank you again for your support, commitment, understanding, and love throughout this past year. **Most of all, thank you for "your" children that you shared so generously with me this year!** I hope you have a wonderful, exciting, and safe summer.

Sincerely,

Carol Ballard
