

## SECOND GRADE

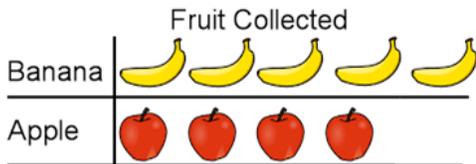

BE

minimum days for parent-student-teacher conferences. I can't wait to meet with you all. November 10th is a day off for Veteran's Day. November 20th-24th is off for Thanksgiving. It is a great time to remember all our blessings and thank God for our wonderful lives.

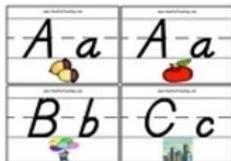

During November, we will be learning about penance and reconciliation. We will spend a lot of time really understanding the purpose and need for this sacrament as many of the students will experience this for this first time later this year. We will also talk about the different laws of God and the church and why it is important to follow those laws.

In math, we will look at all sorts of graphs. We will learn to read and make pictographs, bar graphs, circle graphs, line plots, and Venn diagrams. We will look at range, mode, and median. It will be a month full of data and how to work with it.

We will be learning about our government in social studies. We will be looking at local government, state government, and federal government. We will see how our votes make a difference.

For science, we will continue looking at living things. We will learn about plants and their roles in our lives. We will also be looking up at space, the planets, and the sun. We will learn how they affect our everyday lives.

In handwriting, we will continue to practice writing D'Nealian. This will help the students when we begin cursive. By practicing, it will be a smooth transition to cursive.

### Spelling and Vocabulary

We will continue to alternate between spelling and vocabulary words. This will help improve the students writing as well as their speech.

Thank you for your trust and cooperation every day. It is such a pleasure teaching your child. Have a wonderful Thanksgiving! I am thankful for my 13 great students!

God Bless,  
Miss Betty

Welcome to November!

This month has a lot of fun activities.

November 3rd is a half day and spirit wear day. Students may wear spirit wear shirts with uniform bottoms.

November 8th and 9th are minimum days for parent-student-teacher conferences. I can't wait to meet with you all. November 10th is a day off for Veteran's Day. November 20th-24th is off for Thanksgiving. It is a great time to remember all our blessings and thank God for our wonderful lives.
