

Sixth Grade

May

Dear 6th Grade Parents,

I hope everyone is doing well as we head toward the last part of our school year. I was out a couple of days because I had to move and the children did a great job for Mrs. Sandoval. Just prior to that we had our 6th grade school mass and they did a fabulous job in all aspects.

Bravo Zulu!!!!

In language arts, we have started our stories on influential people. We just finished up Jackie Joyner-

Kersee and will be reading a few others. In writing, your children finished another story with the prompt of "The complications of moving to another country". At the same time they are writing about their best vacation spot. You should be seeing improvement in their writing skills. We finished reading "Wednesday Wars" and have now started "Pay it Forward". In math, we are nearing the end of our chapter on

multiplying and dividing fractions. Then we will move into probability. I emphasize to the class the importance of letting me know if they are just not getting the math concepts. They can do this privately and I will be happy to help them one on one. In social studies, we are continuing on both our social studies weeklies as well as the science weeklies. I tell them to keep them here until we finish with the issue then they can take it home. You should see these coming home on a near weekly basis. In religion, we have been talking about the beatitudes and some of our

commandments. We finished watching the Mini-series, "Jesus of Nazareth". I think the class really enjoyed it. Thank you again to the Aziez family for letting us borrow it.

THANK YOU!

Thank you all for being so prompt at our recent conferences. This made everything move along quite well. Keep in mind that if you have a concern you definitely do not need to wait until conference time to talk with me. I'm willing to set a time to meet with you at your convenience if you feel it necessary.

Remember, the Monday following Jamboree is a no school day and also we have Monday the 28th off for Memorial Day. Please remember why we are off on Memorial Day as you enjoy your picnics and time with family.

God Bless,
Mr. Urtz
