

**THANK YOU
FOR GIVING
ME A GREAT
YEAR OF
MEMORIES**

June

Dear Parents,

I can't believe how quickly this year has gone. It has been such a pleasure teaching your children. They have made my last year in 6th grade incredible! We made memories I will never forget. I am so blessed to have had an amazing year with spectacular students. I will miss each and every one of them! It has been the greatest blessing to have been able to watch them grow and mature. They will always have such a special place in my heart.

Thank you to all the parents. You were a big part in making this year so fabulous. I am grateful for each of you and I cannot say enough how thankful I am for you.

I hope you all have a wonderful summer. I can't wait to see the students again as 7th graders!

Love,
Miss Betty
