

Third Grade

Crowning of Mary, the talent show, Jamboree and Spring Sing will make this month very busy and exciting for all of us!

Math: We will be studying division, measurement and fractions this month.

Language Arts: We will work to improve our writing and vocabulary skills with the proper usage and spelling of adverbs, homophones, contractions, and the addition of different endings to base words.

Science: We will continue working on our Earth Science Unit of the Solar System.

Religion: We will study prayer, Pentecost, parables and pilgrimages.

Social Studies: We will learn about landmarks, government and citizenship.

Reading: We will read and respond to selections from our text and a new class novel.
