

Fifth Grade

June

Wow! I can't believe another year has come and gone. I really enjoyed teaching your children and learning from them as well. We had such a fun year!

High FIVE
to a
Great Year!

Thank You

I would like to thank all the parents for your support and help throughout this year. Thanks for all your generosity, too.

Congrats to all you 5th graders! I wish you a wonderful summer of relaxation and fun (and a lot of reading here and there). Rest up and get ready for 6th grade.

Best Wishes,

Mrs. Huerta
