

# JUNE *sixth* GRADE

Dear 6th Grade Parents,

**KEEP  
CALM  
BECAUSE  
SCHOOL  
IS ALMOST OVER**

As I write this we are down to just a few days left in the school year. I have learned a lot with my experience this year and I hope your children gained some valuable knowledge to help them in their future. Thank you for all of your support this year as I transitioned to 6th grade. I appreciated your flexibility and patience throughout the year.

Mary Vickery has been a huge help this year in getting the word out to parents and helping organize classroom activities and volunteering herself on many occasions. Thank you so much for all of your work in keeping our class events running smoothly. THANK YOU!

I wish your children all the best in their coming years ahead. Time certainly does fly by and soon they will be our graduating class here at Holy Trinity. Good luck to all of them and I look forward to seeing them over the coming years.

**HAPPY  
BIRTHDAY**

June 8th Sharlise S.

June 14th Jaden P.

July 28th Dylan G.

God bless you all and have a safe, enjoyable summer. Good Luck in 7th grade.

Mr. Urtz
