

# THIRD GRADE February

Dear 3rd Grade Parents and Students:

I have to say that I am truly looking forward to *Grandparents' Day* this year on **Friday, February 1st!** We are looking forward to showing our grandparents a lot of our

projects and showcasing our accomplishments from the first two quarters of the school year!

*The Heritage Reports are wonderful! Thank you to all the family members who assisted with our social studies and writing project! The children have really enjoyed learning about their ancestors and culture and did a remarkable job on Multicultural Day with their displays.*

**We will be celebrating St. Valentine's Day on Thursday, February 14<sup>th</sup> in the afternoon.**

If your child is distributing valentines, please make sure they have one for each student (14) and it is much easier to distribute them if they do not have their classmates' names on them! They may also bring a valentine for their Big Friend on this date as we plan to have an activity with the 7<sup>th</sup> graders. Watch for a Sign Up Genius notification if you are able to contribute sweets or paper goods for our party.

We're approaching the 100<sup>th</sup> day of school...and Jamboree! **We have also entered the 3<sup>rd</sup> Quarter of the school year** and will be busy with **academic learning:**

**Social Studies:** We will be learning about the regions of California.

physical science with FUN experiments!

**Math:** We will continue practicing

our multiplication facts and begin division this month.

**Language Arts:** Verbs, adverbs and contractions will be emphasized in all our spelling, writing and vocabulary lessons.

**Religion:** We will learn more about Lent and the Stations of the Cross.

**Reading:** As a class, we will read and respond to a novel and selections from our Reading text.

**Science:** We will continue our study of
