

PRESCHOOL

# March

Our Catholic Schools Week was great especially our Grandparents Day celebration!!! Thank you to all the grandparents who joined us for a

fun day and a craft! We always love that special time with them!!!

We had so much fun with our Teddy Bear Sleepover! Our bears did make a mess and your children did a good job cleaning up after them! Our Valentine and Teddy Picnic were also very enjoyable on Wednesday outside; Thursday was a bit crowded because we had to stay in out of the rain. Kids are great about making everything fun! Look for some adorable pictures on our parent family photo wall!

Our Valentine's See's Candy sales made \$426 profit. We are going to use some of that to start our preschool garden with sweet peas and beans for climbers, and always some vegetables. Visit our garden so your kids can tell you about everything—even our worm compost! Thank you for participating in the fundraiser! Next, we will be selling See's Easter candy. This will begin March 18<sup>th</sup> and end

April 12<sup>th</sup>. The money raised will be used for painting projects and a multitude of fix it projects at our preschool. We will be asking for a few volunteers to join us to fix up our preschool! We will wait until later in the spring for that work day! I will post information!

We ended our month with DDS Chan visiting and doing a puppet show for the children. The kids said they all brush and floss their teeth 2 times each day—impressive!

We will start March with our annual Parish Golf Tournament at Singing Hills Golf course—a fun day which is followed by a prime rib dinner! If you did not get signed up for this year, keep this in mind for next March. It is very relaxing!

We will be having an Iron Man contest on March 13<sup>th</sup> from 5pm-7pm. If you would like to have your "Iron Man" compete in an inside obstacle course, please nominate him by completing the bottom of the Iron Man form with a \$20 donation. We will vote on each nominee with \$1 donations. The Top 10 "Iron Men" will then compete for the 2019 Iron Man Trophy! A Spaghetti dinner will follow this event! Watch for our flier on the parent's board!

We usually do an appreciation and Valentine gift to our parents by having a parent's night out. No one even noticed that we skipped right over that popular event! However, we would not forget to give you our appreciation!!! Our preschool "Parents' Night Out" is scheduled for Thursday March 28<sup>th</sup> from 5pm-9pm. We will watch your kids, play some games and make a craft while you go

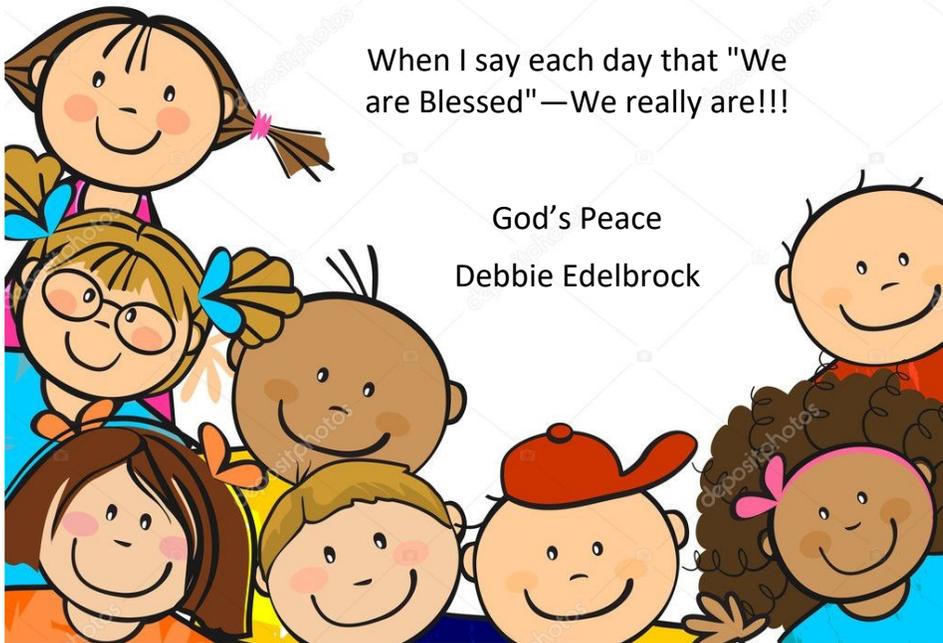

out and enjoy your evening! This year we got a donation from the generous Attisha Family (Logan, Luke and George). This donation will be used to fund the evening!! An RSVP flier will be put on the parent's board.

I just want to share with you the blessings I receive each day! Our staff is filled with love from your children on a daily basis! And that love is given right back! As the director, I get to listen in on our teachers working with your children and the daily circle-times are my most favorite part of the day! The beautiful presentations and participation from your children to our staff, and the learning that is happening is soooo very heartwarming it has actually brought me to tears on many occasions just to listen! We are so very richly blessed to work with such a fun, enthusiastic and energy filled group of children!!! And BIG KUDOS to our fantastic staff for all the love they share with your children!!

When I say each day that "We are Blessed"—We really are!!!
