

PRESCHOOL

April

Our See's Easter Candy orders need to be turned in by Thursday April 4th. Candy will be ready for pick-up on Monday April 8th. Thank you in advance for your support!

Our year sure has gone quickly! It is already time to look at the progress your child has made at preschool, and I am sure you will agree, they have grown by leaps and bounds! We are so excited to share with you about their

development! Ms. Vicki will set up time to meet with you and discuss your child's progress. Her conference sign-up sheet is on her bulletin board. For Pre-K only, the conference days are April 9th and April 10th. Mrs. Harres and Ms. Selina will be sending development reports home. If you would like to schedule time with them, please make an appointment. Please avoid using class time as it distracts their attention from children in their care and would not provide you with the full

attention of your child's teacher. During our last few months together we will work on any areas of progress that need development, and fine tuning the preparation for our next year of school.

We have 19 of our preschool princesses going to the Father- Daughter Dance on Friday April 5th! I will be playing Cinderella and painting fingernails, and then the mean step sister by keeping moms from sneaking in! Daddies and Daughters only mamas!

We will be making a card from preschoolers for Fr. Eddie's Birthday on April 17. I will leave the card on the table outside my office if you would like to sign it, and also see your child's artwork.

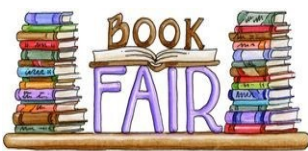

We have been attending Stations of the Cross with our 8th grade prayer partners. On April 19th at 11:00 (Good Friday), the 8th graders will act out the Stations of the Cross. It is very powerful and brings me to tears every year! Please join us for this impressive presentation! After the presentation, we will have the Veneration of the Cross. We will teach the children how and why we show this sign of respect to the visible symbol of Jesus on the cross. **Keep in mind that Friday,**

April 19th is a minimum day with noon dismissal/no afternoon class.

Good Friday

We will be having another bookfair set up for us by our AMAZING team of parents and volunteers. If you have not seen the incredible set up that they do for us, please make a point of bringing your child to the transformed library the week of April 15-19! It is a good chance to get books for summer reading!

On the 16th and 17th of April, we will have our preschool Easter Celebration. We are asking that parents donate filled eggs for our egg hunt. Please bring your filled Easter eggs to Ms. Debbie so we can divide and count to see how many eggs per child. We will also have a little Easter brunch in our classrooms.

The parents board is stocked with April activities, themes, prayers and calendar.

We will be closed the week of April 22nd-26th for Easter break. Our blessings and prayers to your family as we celebrate the deep and dear love that God has for us.

God's Peace,
Ms. Debbie and our Preschool Staff
