

THIRD GRADE

Dear Third Grade Students and Parents,

The Third Graders presented the Stations of the Cross and it was wonderful!

Calendar notes:

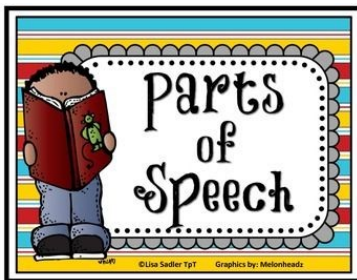

There will be minimum day attendance for parent/student/teacher conferences on **Thursday and Friday, April 11th and 12th**. Report cards will be distributed and discussed at your child's conference.

Academic notes:

Math: We will continue our study of geometry and practicing multiplication, division and problem-solving skills.

Social Studies: We will study national and state landmarks and the California economy.

Science: We will study physical and chemical changes of matter with many hands-on experiments.

Language Arts: We will improve our writing skills using prepositions, adjectives and adverbs.

Religion: We continue to learn about our faith through prayer, our Resurrection

Resurrection Eggs

Eggs project, and explore parables and miracles with short plays.

Reading: We will read and respond to our last two stories in our Reading textbooks and enjoy a new class novel!

Reminders: Talent show tryouts will be held soon after Spring Break!

It's going to be a very busy, challenging and exciting fourth quarter! I hope everyone returns spiritually and physically renewed after Easter break!

Blessings,
Mrs. Connell
